

Online safety

- Never send or post anything you wouldn't say in real life
- Never give out your personal details like your address, phone number, school or your parent's names without permission
- Never send pictures or packages to people you've met online without permission
- Never share your passwords, even with your close friends
- Never install apps or programs without permission
- Never agree to meet someone you've met online in person
- If you find something online that makes you feel uncomfortable, tell a parent or guardian

Always Remember...

- 01** Never share personal info like phone numbers, email addresses or home address
- 02** Learn how to delete and block people if they are posting inappropriate things
- 03** Tell someone if you are receiving inappropriate posts or messages
- 04** Check your privacy settings to make sure you know who can see your posts and who can send you posts
