Safeguarding Commitment

Oblate Youth Australia (OYA) is a ministry of the Missionary Oblates of Mary Immaculate Province of Australia that is committed to the safety and wellbeing of all young people and vulnerable adults in our community and has a zero tolerance of abuse. OYA has documented policies and procedures which help to build a strong culture of safeguarding across our ministry. Our responsibility to provide a safe environment remains our highest priority.

Everyone has a right to feel safe & respected. If you see something or feel something isn't right, say something.
